STOMACH TROUBLE FOR FIVE YEARS

Majority of Friends Thought Mr.
Hughes Would Die, But
One Helped Him to
Recovery.

Pomeroyton, Ky.—In interesting
advice from this place, Mr. A. J. Hughes
writes as follows: "I was down with
stomach trouble for five (5) years, and
would have sick headache so bad, at
times, that I thought surely I would die.

I tried different treatments, but they
did not seem to do me any good.
I got so bad, I could not eat or sleep,
and all my friends, except one, thought I
would die. He advised me to try
Thedford's Black-Draught, and quit

taking other medicines. I decided to
take his advice, although I did not have
any confidence in it.

I have now been taking Black-Draught
for three months, and it has cured me—
haven't had those awful sick headaches
since I began using it.

I am so thankful for what Black-
Draught has done for me."

Thedford's Black-Draught has been
found a very valuable medicine for de-
rangements of the stomach and liver. It
is composed of pure, vegetable herbs,
contains no dangerous ingredients, and
acts gently, yet surely. It can be freely
used by young and old, and should be
kept in every family chest.

The Ideal and Successful Way

No class of business men can be found the
world over, who does not investigate a propo-
sition before forming an opinion, no matter what
the question or proposition may be, and we
American people naturally stand against all
kinds of business propositions until we are
thoroughly convinced, but 92 per cent of the
business and professional men of to-day are con-
vinced that it is strictly against good business
policies to ever attempt to go through life unpro-
tected and have shown forth their opinion by
their quick action they have taken. Now, just
a word to you parents, you should advise the
young men to take out Insurance on their life
early. Sweethearts should demand it of the
young man who seeks her heart and hand in
marriage. THE COMMONWEALTH
LIFE INSURANCE CO. of Louisville, Ky.,
will be pleased to show you the most advan-
tageous policies through their local agent,
